MUSCONETCONG VALLEY COMMUNITY ASSOCIATION

School-Age Child Care Programs

PARENT HANDBOOK

HISTORY OF THE MVCA

The Musconetcong Valley Community Association was founded in 1995 for the purpose of providing quality and affordable recreational and child care programs to the citizens of the Musconetcong Valley and surrounding areas. It is incorporated and was awarded 501(c) 3 tax-exempt status by the IRS. Boards of Trustees oversee the MVCA and its Foundation (MVCF).

The MVCA offers school-age child care programs in Washington Township (Morris County). Camps in Long Valley and Mount Olive offer children an enriching summer experience. In addition, the MVCA sponsors fitness, educational, recreational, and cultural programs. The MVCA does not require a membership fee for its programs.

The MVCA office is located in the Valley Professional Center in Long Valley. The administrative staff includes the Director, Administrative Assistant and Bookkeeper.

LICENSING

MVCA child care programs are licensed by the State of New Jersey through the Department of Children and Families. The state licenses are renewed every three years based on results from inspections in the areas of safety, administration and program content.

PROGRAM STAFF

Adult counselors/ head teachers and assistants age 16+ comprise the staff at each child care site, with site supervisors overseeing these programs.

Criminal and child abuse background checks are done on all employees and volunteers working directly with children.

Employees are expected to complete CPR and first aid courses, and to routinely update their certifications. Periodic staff meetings are held for the purpose of addressing current issues, orienting new staff, and planning. Staff members are given the opportunity to participate in off-site workshops and classes in child care and related topics.

PHYSICAL SETTINGS

The MVCA before and after school programs take place at Old Farmers Road School in Washington Township. Transportation is provided from all district schools to the after care program. The MVCA may provide full day care at the Long Valley facility during certain school holidays if there is sufficient enrollment.

PROGRAM ACTIVITIES

An afternoon at our school-age child care program includes adequate time for completing homework. Whenever possible, a choice of quiet or semi-quiet homework environment is given. A snack is provided. Whenever possible, the children have the opportunity to use the gym or outdoor playground, fields, etc., depending on weather conditions. Group activities are incorporated into the program, and there are opportunities for arts and crafts, games, performing arts and special programs.

An occasional field trip may be planned. Permission slips are distributed well in advance of any such trip. The students are transported in an MVCA owned vehicle driven by a CDL driver.

PROGRAM CALENDAR

MVCA programs follow the Washington Township schools calendar. In addition, full day programs are offered, provided there is adequate enrollment (at least 10 children) for school holidays such as Teachers' Convention, Presidents' Day, and Spring Vacation. Notices will be distributed prior to these holidays. The minimum enrollment count is determined one week prior to the date of the proposed full day program. There will not be programs on Good Friday, or during Thanksgiving or Christmas vacations. On **scheduled** early dismissals, after school care will run from school dismissal to 6:00PM. For **scheduled** delayed openings, the before care program at Old Farmers cannot be held.

EMERGENCY SCHOOL CLOSINGS

Before care

In case of inclement weather causing an early morning school delay, the Early Bird before care program at Old Farmers Road school **will not be held**. This is due to school scheduling difficulties.

After school care emergency closings

If the weather becomes inclement during the day but school is not dismissed early, the MVCA will hold the after school care program as usual. The Washington Township Schools administration determines whether the after school care program can be held. If yes, we ask parents to allow extra driving time for safe travel and on-time pick-up. It is our goal to insure the safety of our children, families, and staff. Counselors may call parents at work to advise them of weather conditions.

There will be no after school care programs on days when school is closed or dismissed early **due to inclement weather**. If school is dismissed early, your child will be sent home on the bus unless you have made other arrangements with the school. It is imperative that the school has your work phone number and emergency plan on file. The MVCA will not provide transportation.

PICK-UP

Whoever picks up a student must sign him/her out in the attendance log. No one other than those with written authorization may pick up a student, unless a parent calls the MVCA office or program prior to pick-up, with the pertinent information. Counselors will ask for identification from any unfamiliar person (parents as well as others) requesting to pick up a student. This ID will be checked against the student file information. There may be a situation in which a non-custodial parent is NOT authorized to pick up a child, thus the counselors will familiarize themselves with each student's family situation. Students will not be released to anyone under 18.

In the event that a student is not picked up by 6:00PM, a late fee must be paid directly to the counselor at the time of pick-up. The fees are:

<u>Fee (per child)</u>	<u>Pick-up between</u>
\$15	6:01 to 6:15
\$20	6:16 to 6:30
\$25	6:31 to 6:45
\$30	6:46 to 7:00

If a student is not picked up by 6:15PM, the counselor will attempt to call a parent. If a parent cannot be reached, someone from the list of emergency phone numbers will be called. The counselor will try to leave a message to notify the parents of the arrangement that has been made. If no one can be reached by 7:00PM, the MVCA is **required** to notify DCF and/or local police.

In the event that someone arriving to pick up a student appears to be under the influence of alcohol or drugs, or in some other way impaired, a staff member may not release the student to him/her. Someone from their emergency list will be called. See *Impaired Individual Policy*.

Communication with the MVCA by phone is encouraged. Information cards with contact numbers will be distributed at the beginning of the program year. Please note, however, that calling ahead does not automatically absolve a parent from paying a late pickup fee.

ARRIVAL

Parents dropping off a student for a morning program must escort the student to the program room no earlier than 7:00AM. Children may not be left unattended.

STUDENT ATTENDANCE AND SCHEDULES

If a student participates in any after school activity in addition to MVCA, a parent's written note to that effect must be on file at the site. All attempts will be made to get students to and from these activities. If a student leaves the MVCA program for an activity that lasts until 6:00PM, the MVCA relinquishes responsibility at the time the student leaves MVCA.

Please notify the MVCA office – **908-876-3141** - or appropriate program phone if your child is in school but will not be attending the program on a regularly scheduled day.

NEWSLETTERS

Newsletters, notices, and/or program calendars will be distributed periodically. Included will be notification of upcoming events, plans, and general information. A reminder of program changes due to school half days and vacations will appear.

BEHAVIOR/ EXPULSION POLICY

The structured, nurturing environment of the MVCA programs is one in which students will have fun, be safe, and enjoy experiences that will foster self-esteem through the combined development of physical, creative, and social skills. Good social behavior is emphasized. See the *MVCA Positive Discipline Policy*.

All attempts are made to apply positive, behavior-modifying discipline. It is the goal of the MVCA that reinforcing good behavior, rather than reacting to undesirable behavior, will affect the desired change. However, the MVCA staff will notify parents by way of a written document if a child's actions include habitual inappropriate language, or harassing another student or staff member. Other infractions that require written documentation include, but are not limited to, jeopardizing one's own safety or that of another, and willful destruction or theft of property. In the rare case that a student receives three related write-ups, a decision will be made by the MVCA staff, director, and Board of Trustees as to whether the child should be allowed to remain in the program. The parent will be notified before and after the decision is made, and adequate time will be given for the parent to make other childcare arrangements.

Other causes for expulsion include: habitual non-payment of tuition; verbal abuse by a parent towards MVCA staff or another child; failure to complete required forms; habitual tardiness when picking up.

If a suspension, rather than expulsion, from the program is warranted, the MVCA will inform the parent about the duration of the suspension and an expected return date.

A child will not be expelled for a parent: making a complaint to the Office of Licensing regarding a center's alleged violation of the licensing requirements; reporting abuse or neglect occurring at the center; questioning the center regarding policies and procedures.

REGISTRATION

Before a child may attend an MVCA child care program, parents must fill out an application, a health history, emergency form, and child custody form. Parents indicate on the registration form that they have read this manual. The student's information remains on file at the MVCA office as well as with the student's counselor. It is vital to keep the MVCA informed of changes of address, work or emergency phone numbers, etc.

TUITION PAYMENTS

Tuition is a yearly fee divided into ten equal "monthly" payments. The fees are calculated on 180 care days for those attending five days/week, 144 care days for four days/week; 108 for three days/week; 72 for two days/week; 36 for one day/week.

To begin a program, the MVCA requires the June tuition as a deposit and the current month's tuition. Payments must be received by the 1st of the month. You are asked to mail payments to the MVCA office rather than to hand them to a counselor. You will be provided with invoices to be

submitted with your payment. There is a \$20 late fee for payments made after the 10th of the month. You will be responsible for any bank charges incurred for checks returned for insufficient funds. You have the option to charge tuition on a credit card, or have tuition charged automatically on the 1st business day of each month.

The MVCA will expect prompt payment unless you notify the office of any unusual circumstances. Tuition accounts that are a month or more in arrears may result in dismissal from the program. Tuition payments more than 30 days in arrears are subject to 1.5% interest.

The MVCA works with County agencies subsidizing tuitions. It is the responsibility of the parents to initiate the required paperwork with the agency.

WITHDRAWALS

To withdraw a child from the program, a parent must notify the MVCA in writing two weeks prior to the anticipated last day in the program. A refund of unused tuition will be issued after the child leaves the program. If written notice is not submitted, your child is considered to be in the program, and tuition payment is expected.

SCHOLARSHIPS

Scholarships based on a sliding scale may be available to those who qualify. You may contact the MVCA office to request an application.

COMMUNICATION

Communication between parents and the MVCA is the key to the safety of your child and the positive experience he/she will get from the program. It is the parent's responsibility to keep the MVCA office and staff, as well as the school, informed of any changes in your child's daily schedule. Upon enrolling your child in an MVCA program, you must inform the school in writing. Please call the MVCA office or program phone if you have questions or concerns about the program.

STUDENT HEALTH AND MEDICATION

It is suggested that any student requiring medication receive his/her dosage from the school nurse before dismissal or after arriving at school; MVCA staff members should not be responsible for giving medication during program hours.

In accordance with the NJ state licensing requirements for child care programs, the following information outlines the MVCA policy on communicable diseases:

If a child exhibits any of the following symptoms, he/she should not attend the program. If such symptoms occur while in the program, the parent will be called to take the child home:

Severe pain or discomfort	Acute diarrhea
Episodes of acute vomiting	Oral temperature of 101.5 degrees F
Severe coughing	Yellow eyes or jaundice skin
Red eyes with discharge	Infected untreated skin patches
Difficult or rapid breathing	Stiff neck
Mouth sores with drooling	Weeping or bleeding skin lesions
Skin rashes in conjunction with fever or behavior changes	

The child may return to the program once he/she is symptom-free or has a health care provider's note stating that he/she no longer poses a serious health risk to him/herself or others, unless contraindicated by the local health department or Department of Health.

If a child contracts an excludable communicable disease, he/she may not return to the center without a health care provider's note stating that the child presents no risk to him/herself or others. These diseases include respiratory, gastrointestinal and contact illnesses such as Impetigo, Lice, Scabies and Shingles. Note: in the case of chicken pox, a health care provider's note can be substituted by a note from the parent stating that at least six days has elapsed since the onset of the rash, or that all sores have dried and crusted.

A copy of the Department of Health's Reporting Guide for Communicable Diseases is included as an insert in this manual.

MVCA SCHOOL AGE CHILD CARE POSITIVE DISCIPLINE POLICY

To guarantee a positive social and educational climate, it is important that students of all ages understand that acceptable standards of behavior will be expected at all times. The methods of discipline used shall be positive and consistent with the developmental needs of the child and will be applied with full knowledge and understanding of the parents.

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of a child, the group, and the adult.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells children what they should do. Punishment teaches fear; positive discipline teaches self-esteem.

We will use the following methods of positive discipline:

- Praising – describing the specific behavior we like
- Persuading – pointing out the positive aspects of the desired behavior
- Modeling – setting an example for the child to model
- Challenging – appealing to a child’s competitive desire to do well
- Resolving Disagreements – listening to both sides of the story without intent to blame or hurt
- Ignoring – ignoring undesirable behavior (if not harmful) and focusing on positive
- Distancing – removing ourselves or the child from the immediate scene (time out)
- Establishing Routines – children thrive best on order and regularity; they are happier when they know what to expect.
- Setting Limits – (rules and regulations) – having an appropriate balance between control and affection to help the children grow up well-adjusted
- Keeping control – keeping our emotions under control when disciplining

At no time will we do any of the following:

- Hurt a child physically or with name-calling
- Deprive a child of food or any other basic need
- Shame or belittle a child
- Isolate a child for any length of time
- Threaten a child with force or retaliation

AFTERCARE ELECTRONICS POLICY

Personal electronic devices may be used at the aftercare program from 5:00 – 6:00 for a maximum of twenty minutes at a time. Exceptions to the policy may be granted for homework reading or research, or interactive gaming supervised by a staff member.
