Tuition is a yearly fee divided into ten equal “monthly” payments. Tuition does not reflect the number of actual program days in a given month. The fees are calculated on 180 care days for those attending 5 days/week. Tuition includes coverage for scheduled early dismissal days.

Coupon books are available for occasional use.

Tuition payments are due on the first of the month for that month. There is a \$20 late fee for payments made after the 10th of the month. Accounts in arrears for a month or more may result in your child’s dismissal from the program.

The tuition deposit of two months (first and last) is due when registration forms are completed and returned to the MVCA.

Let us know if you would like tuition payments automatically charged to your credit card.
