BABYSITTING COURSE

Taught by Andi Huber, EMT

This class will train teens in the art of babysitting. Emphasis is on safety and childcare skills. Participants will learn basic first aid and emergency protocol, the value and characteristics of responsibility, infant care, child development, recreation ideas, and positive discipline techniques appropriate for all ages of children. They will receive information on how to partner with their parents to "start their business."

Each class member will make a simple first aid kit and a decorative activity bag to take along on babysitting jobs.

The class is completed in two evenings: **Tuesday, November 9 and Thursday, November 11 from 6:00 to 8:30** at the MVCA building in the Long Valley Professional Center. Bring a doll or stuffed animal to diaper.

The cost is \$40.00.

Detach and mail to the Musconetcong Valley Community Association, PO Box 399, Long Valley, New Jersey 07853 or email to director@mvca.org
