Tuition is a yearly fee divided into ten equal "monthly" payments. Tuition does not reflect the number of actual program days in a given month. The fees are calculated on 180 care days for those attending 5 days/week. Tuition includes coverage for scheduled early dismissal days.

Tuition payments are due on the first of the month for that month. There is a \$20 late fee for payments made after the 10th of the month. Accounts in arrears for a month or more may result in your child's dismissal from the program.

The tuition deposit of two months (first and last), along with a \$25 non-refundable registration fee, is due when registration forms are completed and returned to the MVCA.

Let us know if you would like tuition payments automatically charged to your credit card.
