SUMMER DAY CAMPS 2025

2025 - the best summer yet!!

CAMP MUSCONETCONG (Long Valley)

Grades K-6

Conveniently located at Rock Spring Park in Long Valley since 1996, Camp Musconetcong continues to provide for the recreational, social and developmental needs of campers entering Kindergarten through sixth grade. Campers are treated to a varied program that includes a weekly off-site trip, sports skills, arts and crafts, BBQ's, games, science, nature, and music. Two afternoons of swimming at the Hackettstown Community Pool and special activities each week round out the fun-packed schedule.

EXPLORERS "TRIP" CAMP

Grades 6-9

MVCA Explorers Camp travels each day to recreational, cultural, and historic sites in New Jersey, New York and Pennsylvania, including amusement and water parks, movies, sporting events, tours, the beach, museums, hiking, arcades and much more. We promise a wide variety of age-appropriate destinations, group activities and social time.

COUNSELOR-IN-TRAINING PROGRAM

Grades 9-10

A Counselor-in-Training (C.I.T.) program for students entering ninth or tenth grade is offered at Camp Musconetcong. C.I.T.s receive training led by the camp director and staff, and assist counselors with their duties. Each C.I.T. completes a project that he/she designs and presents to the camp. Participants learn about child development, program design, safety, first aid and leadership. C.I.T. candidates must be motivated, eager to learn, and willing to participate in all camp activities. The course requires a four-week commitment.

LIBERTY MEADOWS / MANSFIELD BUS STOPS

Youth, Explorers and C.I.T campers from Warren County can ride the shuttle bus that leaves the Great Meadows Middle School at 8:00am and returns at 4:45pm. The same bus picks up campers at the Weis parking lot in Mansfield at 8:15am and returns them at 4:25pm. All aboard! Due to the cost of fuel, a nominal weekly fee of \$15 per family is assessed.

CLOVER VIEW EXTENSION MOUNT OLIVE TOWNSHIP

The MVCA will continue its tradition of offering before and after camp care and bus pick up/drop off in Flanders at the New Beginnings Bible Church on Bartley Road. Before Care is available at 7:00am. The bus picks up campers at 8:30 for a short trip to Long Valley and a fantastic Youth or Explorers Camp experience. A bus will drop the campers back at NBBC at 4:00pm for pick-up or after care. After care runs from 4:00 to 6:00pm. Due to the cost of fuel, a nominal weekly fee of \$15 per family is assessed.

CAMP OPEN HOUSE

We invite you to drop in at our camp open house on **Sunday, March 2, 2025** from **12:00pm to 2:00pm** at the MVCA facility located at the Valley Professional Center, 59 East Mill Road (Route 513), Long Valley. We are unit 101 in building 3.

The MVCA is a non-profit organization dedicated to providing for the recreational, educational and childcare needs of area residents. We strive to meet these needs through innovative programming, community involvement and staff retention programs. Any surplus funds raised from program fees go directly toward supporting future offerings. Our philosophy is that excellent programs are the result of caring, highly trained staff, constant innovations and self-evaluation. Our staff are trained in CPR, first aid, emergency procedures, positive discipline and child development.

From the MVCA Director...

2025 will be the 29th year of MVCA Summer Camps! What is so great about it is that, in all the years, the excitement and anticipation has never waned. Planning for the upcoming summer has made my staff and I very excited! We hope you and your children are ready to have the BEST SUMMER EVER!

Join us for our 29th summer!

Cheyenne Lemoine
